# TC8-Imprint

Material Size 88" X 154" Full Tablecloth Maximum Imprint Area 50" x 17"

## FILE REQUIREMENTS

### Template Print Area - 50" X 17"

Artwork placed inside; not touching edge

- RGB or CMYK files accepted.
- ALL TEXT MUST BE OUTLINED.
- Supplied templates MUST be used and returned with artwork inserted. Do not merge layers on template before sending as a PDF or EPS.
- FILES NOT PROPERLY PREPARED FOR PRINT WILL BE RETURNED TO THE CUSTOMER OR ADDITIONAL ART CHARGES WILL APPLY.
- ART ISSUES WILL DELAY PRODUCTION.

### Additional Guidelines:

- Each template PDF can be opened in Illustrator or Photoshop,
- depending on the way you wish to prepare your print file. Please supply artwork at Full Size.
- Vector documents EPS files or PDF. Exclusively, Raster/Bitmap documents should be JPEG or TIFF files (larger) saved at 100 dpi and inserted in our template.

### Artwork Limitations

- Text height must be at minimum 1" height Artwork with elements that are too small, too thin
- or too detailed will be printed as a solid patch with the background printed.
- Artwork with transparency or opacity will be treated as full-colour print, and printed as a solid patch with the background printed.
- Artwork with large solid patches are not recommended. These patches as prone to wrinkle on finished product.

Please forward art to customer service when in doubt
